

Team Name: sddec21-03

Team Members: Aidan Andreas, Ethan Evans, Max Farver, Nick Landon, Brad Zalasky

Report Period: Feb 15-26

Summary of Progress in this Period

We met with Dr. Zheng to introduce ourselves to him and to discuss what form our relationship with him would be over this and next semester. We also discussed with him what he expects from us and what tips he has for us as we begin this project.

Pending Issues

No issues have come up.

Plans for Upcoming Reporting Period

During the next two weeks, we will start designing wireframes for our project as a group. We plan to meet together as a group to then divide the work up for who will be responsible for what parts of the design document. Group members have been continually learning about the technology stack we will be using on the project.
